**SUMMERSET**

**Makes 16 Gallons**

**Net Contents 32 FL. OZ. ( 1 Qt.) (946 ML.)**

*A Natural Repellent that keeps Insects Away from plants and trees.*

**AllGuard Orchard & Garden Spray** naturally repels insects away from plants and trees and suitable for use in organic farming. It is derived from garlic juice and blended with a special rain resistant additive that will keep it on your trees and gardens longer. It leaves no garlic taste on any crops or plants and the odor of garlic will disperse in about 30 minutes.

**Approved for Use in Organic Production**

#### **MIXING DIRECTIONS**

Summerset All-Guard® is highly concentrated. Shake container thoroughly before mixing. Add 2 ounces of Summerset All-Guard® to 1 gallon of water. If a strong infestation exists add 4 ounces per gallon. After mixing agitate to prevent settling.

\*\*For more thorough control of Mosquitos and Ticks mix 6 oz. per gallon of water.\*\*

#### **APPLICATION DIRECTIONS**

Apply as a preventative treatment prior to insect infestation. Make the first application at foliar emergence and repeat as needed (Usually 3 – 4 weeks) to maintain the repellency effect. If a strong infestation exists mix per above and spray every 2 – 3 days until insects are under control then maintain on the 3 – 4 week cycle.

#### **STORAGE, DISPOSAL AND HANDLING**

The optimum storage temperature is between 35 and 90 degrees F. Do not allow to freeze. Do not store in direct sunlight. Rinse bottle and present for recycling. Use proper eye protection, and wear long sleeve shirt, pants and shoes. Prolonged skin contact, may cause slight irritation. If in eyes or on skin, flush with plenty of water. Wash thoroughly after handling and applying.
