(Contains 0.46 Lb. Technical d-Limonene per gallon) Net Contents 128 FL. OZ.

KEEP OUT OF REACH OF CHILDREN

CAUTION

FIRST AID: Have the product container or label with you when calling a poison control center or doctor or going for treatment. IF IN EYES: • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first five minutes, then continue rinsing eye. • Call a poison control center or doctor immediately for treatment advice. Hazards to humans and domestic animals. CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

ENVIRONMENTAL HAZARDS: This product may be hazardous to aquatic invertebrates. Do not apply directly to water.

DIRECTION FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

FOR FIRE ANT CONTROL: Use Orange Guard full strength or dilute 1 part with 3 parts water.
Mounds are treated using a drench and puncture method. Each mound is drenched with a half gallon using a pressurized sprayer. Start spraying around the edge of the mound, stand back and puncture with a 5 ft broom handle 1/2" in diameter to a depth of 6" to 12". Make sure Orange Guard penetrates into the punctures in the soil. Saturate ant trails and around the base of trees and shrubs.

FOR STRUCTURE PROTECTION: Spray perimeter of structure generously (full strength). Spray doorways, cracks, window frames - anywhere ants may enter. Saturate until visibly wet. In kitchens, pantries, or any infested areas spray from 8" to 12" directly on ants. Saturate, wait 3 minutes and wipe excess with damp cloth.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage and disposal. Storage: Store only in original container in a cold dry place, inaccessible to children and domestic animals.
Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

EPA EST. No. 061887-CA-001
EPA Reg. No. 61887-2-AA
Patent Pending
