

Material Safety Data Sheet

SECTION 1 - MANUFACTURER PRODUCT NAME

NAME - ADDRESS SLUG SALOON, SNAILER
ORGANIC NON-TOXIC BAIT

AMERICAN ORGANIC PRODUCTS EMERGENCY TELEPHONE

108 Orchard Drive 805-643-5407
Ventura, CA 93001

INFORMATION CALLS
805-643-5407

SECTION 2- HAZARDOUS INGREDIENTS

Hazardous Components OSHA PEL ACGIH TLV

Malted Grain Flour 15mg/m³ 10 mg/m³
Brewer's Yeast 15mg/m³ 10 mg/m³
Sucrose 15mg/m³ 10mg/m³

Combination of above ingredients (nuisance dust) (nuisance dust)

SECTION 3- PHYSICAL DATA

Generic Description Processed malted barley, rice, and/or corn starch; spray dried product of *S. uvarum* from the brewing process; sucrose

Appearance and Odor: Medium tan powder with slightly sour odor

Boiling Point (° C): Not applicable Specific Gravity: Not tested

Vapor Pressure (mmHg): Not volatile %Volatile (by volume): Not Volatile

Vapor Density (Air - 1): Not volatile Evaporation Rate: Not volatile

Solubility In Water: Slowly water soluble

Comments: No physical hazard known

SECTION 4- FIRE & EXPLOSION DATA

Flash point Ignition temperature approximately 400 Degrees Fahrenheit

Flammable Limits Upper Limit Not tested Lower Limit Not tested

Explosive Limits Upper Limit Not tested Lower Limit Not tested

Extinguishing Media Foam, Carbon dioxide, dry chemical, or water

Special or unusual fire fighting procedures or hazards:

Wear self-contained breathing apparatus. Extremely high concentrations of dust may result in an explosion hazard in the presence of an ignition source.

Page 1

SECTION 5- REACTIVITY DATA

Stability: Unstable Stable Conditions to avoid: No known conditions to avoid

Incompatibility (Materials to Avoid): No known materials to avoid

Hazardous Decomposition Products: Acrid smoke and fumes

Hazardous Polymerization: May Occur Will Not Occur

Conditions to avoid: No known polymerization occurs

SECTION 6- HEALTH HAZARDS & FIRST AID PROCEDURES

Acute Health Effects: Extensive review found no acute health effects

Chemical listed as Carcinogen or Potential Carcinogen: Not listed

National Toxicology Program: Not listed TARC Monographs: No OSHA: No

EMERGENCY & FIRST AID PROCEDURES

Inhalation: Provide adequate ventilation. if not breathing administer artificial respiration

Eyes: Flush with water for 15 minutes

Skin: Flush with water, wash with soap

Ingestion: If irritation or adverse symptoms occur seek medical attention.

SECTION 7- SPECIAL PRECAUTIONS AND SPILL/LEAK PROCEDURES

Precautions to be Taken in Handling and Storage: Keep away from ignition sources. Avoid generation of airborne dust

Steps to be Taken in Case Material is Released or Spilled: Collect in suitable container for disposal

Waste Disposal Methods: Consult Federal, State, and Local regulations

SECTION 8- SPECIAL PROTECTION INFORMATION/CONTROL MEASURES

Ventilation: Maintain adequate general or local ventilation to maintain airborne dust levels below the TLVs

Personal Protective Equipment:

Respirators - Dust masks are recommended at operations where excessive levels of airborne dust are generated

Goggles - Recommended

Gloves - General purpose gloves are recommended

Handling/Storage: Store in cool, dry location away from ignition sources
